*REPORT ON MAGIC SHOW*

*7<sup>th</sup>–July–2018*

Magic shows are always fun to watch especially for toddlers, who view the world with open minds and over whelming imaginations. A professional magician was invited on 7<sup>th</sup> July, 2018 in the Activity hall for the audience of STD – I.

The show commenced at 11:00 a.m. The magician tactfully drew the attention of the kids from what he was really doing. The show continued for 1 hour.

Children certainly were mesmerized with the tricks demonstrated which could not be explained, yet could bring immense joy.

Following are the glimpses of magic show:
